

GNAT-TV Field Trips – Opportunities for Curriculum Connections or Just for Fun!

GNAT-TV is a free resource for schools and offers unique opportunities for all ages.

Students can tour the studio and learn how to operate professional TV production equipment.

You may choose from the options below or craft your own experience!

- **Create a TV Show – Lights, Camera, Action:**
News, Science Experiments Show,
Math Mystery Show, Sports, Interview Show,
Talk, Opinion, Advice,
Reading Original Works etc.

- **Experience the Green Screen:**
A new way for kids to learn and display
understanding of subject matter, process and skills.

- **Film Public Service Announcements:**
Make connections between
students educational growth and community service.

**Connect your students with GNAT-TV's high tech tools
and media making expertise!**
